The programme for 2017 is an exciting one and includes some new ventures for us. In the last year we have expanded to offering two services a week, partly to cope with numbers and also to enable there to be that quiet place and space for God to do his work of healing within us. Tuesdays and Thursdays at 10.30 am are here in the programme. This has been made possible because of the appointment of three assistant chaplains and it is wonderful to be working with them as part of a team in this ministry.

The Deeper Healing Days still testify to the amazing power of Christ's presence bringing healing and freedom to individual lives.

"The day was amazing due to the presence of God here and with the team on hand helping me to be set free."

The Healing Hub Days in locations around the Diocese also share the love of Christ with others in venues that are easier to access and attend. In this last year I am thrilled to say that we have added the Isle of Sheppey and Folkestone as venues for Healing Days.

"A great, quiet space with an invitation to grow; to go forward and leave behind our old 'coats'. Thank you for a gentle and affirming day."

We look forward to welcoming individuals and groups throughout the year and would welcome any invitation to preach or teach about the healing love of Christ in your church.

There will be an ALM Course in Healing and Wholeness in 2017 April – October. For further information please contact Holly Adams at hadams@diocant.org

Please note that Quiet Days will be cancelled if there are 4 or less signed up, so do bring a car full!

General Information

Deeper Healing Days: Deeper healing is the experience in which the Holy Spirit restores health to the deepest areas of our lives by dealing with the root cause of our hurt and pain.

Many of us continue to recycle or repeat hurts we have received over the years. A Deeper Healing Day enables us to be listened to and prayed with in order to bring release and peace through prayer. It is not counselling but is an opportunity to listen to ourselves and God in a safe and welcoming place where confidentiality will be respected.

We will do our best to create a safe place, a quiet place, a place to assist your own healing journey. You will never be asked to do anything that will make you feel uncomfortable.

During the morning each person sees one of the prayer ministry team for up to an hour. After you have been seen you may want to reflect on what has been shared – to read or just enjoy the space and rest awhile.

In the afternoon you will meet again with your prayer minister and other members of the team who will pray with you. Team members may receive a scripture verse or some helpful words but only you can tell if these are relevant to your own situation. The day will finish with worship.

Numbers are very limited for Deeper Healing Days and the full cost will be required to ensure your place. There is sometimes a waiting list.

Quiet Days on different themes include worship, some input and silence to enjoy the space in the house and garden.

All these days run from 10.00 am to 4.00 pm. They start with coffee. We serve a soup, bread and cheese, and fruit lunch and refreshments are available throughout the day.

Quiet Days are a minimum donation of £20 and Deeper Healing Days £30.

We also welcome individuals and groups to the house for a day which can be facilitated if they wish. Please telephone for further details and prices. Minimum donations of £10 per day.
