

Can you help The  
Living Well go on  
living well?

***'Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us to him be glory in the church and in Christ Jesus throughout all generations for ever and ever! Amen'*** Ephesians 3 vv 20.21

The old Vicarage at Nonington has always been a special place and the ministry of healing and wholeness introduced there in 2007 has always complemented that feeling. It has developed significantly under different leaderships ever since and is constantly evolving. We have reached out into every part of Canterbury Diocese and even further afield and our areas of supportive listening and healing prayer extend across a variety of pastoral needs; bereavement, poor mental health, self-harm and suicidal behaviours, abuse of every kind, disasters, physical illness including chronic and terminal diagnoses, church and faith related issues. We have introduced new courses to equip local ministry including 'Christ's Healing Ministry' and 'Healing the Wounds of Trauma' alongside many other quiet days and retreats. The Living Well is an oasis of refreshment, restoration and healing.

**For all these reasons we would like this ministry to continue and to flourish. But we need your help. Would you be able to help us go on being The Living Well?**

We need volunteers to help us with refreshments after worship on Thursday as well as hospitality at events in The Living Well. If you feel able to do so please kindly have a word with one of the Chaplains.

If you could give financially then included within this brochure are some helpful ways for you to consider giving to our work. As The Living Well currently runs at a £30k deficit every year, every gift no matter what size is highly valued as it helps to secure our future.
