The Living Well Prayer

God of Healing, we commit into your hands
the work and ministry of The Living Well;

May its door be wide enough to receive all
who seek your healing grace;

May it be a place of rest,
laughter and forgiveness;

Bless all whom you call
to your ministry of healing;

May The Living Well be a gateway to that
wholeness which is your desire for all people.

We ask this through Christ our Lord. Amen

Welcome to our programme for 2026.

We are thrilled that God has led us to this point on the Living Well's journey and look forward expectantly to all He has in store for you as guests and us as team in the year ahead!

This year's programme has the familiar pattern of Thursday worship at 10.30am to which any and all can come without booking. There are monthly deeper healing days; days for clergy, readers and Anna Chaplains; themed days led by gifted facilitators and courses, all of which need to be booked via our administrator.

The Living Well operates as a charity and its needs are supplied through the generous gifts of those who come, our supporters and some churches who give us gifts as part of their mission allocation. Our team of volunteers bring a rich variety of gifts and it is exciting to witness how God weaves us together into a whole to facilitate the ministry at The Living Well.

In our beautiful grounds we have 4 garden rooms which can be booked for personal retreat. There is also a labyrinth to aid prayer walking, many benches to rest and a water feature as well as stunning views across the countryside to help us ponder the wonders of the God we are privileged to serve.

The Living Well is a thin place where the Spirit of God is pleased to dwell in the buildings and the grounds and our prayer is that whether you are in a garden room, the upper room, the lounge, the chapel, the library, the kitchen or the gardens, you will draw close to God and find your healing and wholeness in Him as He transforms you. We look forward expectantly to meeting with you in the coming year.

Every blessing for 2026
